Interest is assessed if the payment is even one day late.Å ÅIf all money owed or reports required are not received by the Employment Department prior to September 1, of each year, 1% of the previous year tax payroll will be evaluated. The funds received from an employer apply first to legal costs (including the service of warrants incurred in the collection of the dívida), then the penalties evaluated, then the interest rates and, by the last, to taxes do not paid evaluated.
